

Peninsula Woodworkers Club

NEWSLETTER – MARCH 2015
Editor – Gary Haubold

WE WILL BE HAVING A MEETING at 7:00 pm on Thursday, March 5, 2014. Our meeting place will be at our regular meeting place at Hillcrest Baptist Church on Black Diamond Road, just south of the bridge which crosses Highway 101. Check the complete directions below at the end of this newsletter.

*****MEETING AGENDA*****

- *WELCOME AND INTRODUCTIONS *
- *CLUB BUSINESS *
- *SHOW AND TELL *
- * ROUND TABLE *

We had a good meeting with seven people present.

Jon Cash is doing well and is looking forward to completion of his medical procedures. He anticipates being allowed to drive in May. Get well soon, Jon, we miss you!

My thanks go to Mike Kurhajetz for filling in for me while I was feeling under the weather. I'm doing much better now.

Remember, each time you are present at a meeting, if your dues are paid, your name goes in the bowl for the membership attendance drawing.

Rachael Boyd brought in a project she's been working on, a quarter sawn maple board on which she's been shaping an edge to her own dimensions. I'm just sorry we don't have a better photo of it.

Dick Boyd has been rearranging his storage unit and now he can see the back wall. What a strange concept that is. Lol Well done, having used a number of storage units over the years I sympathize with him.

Jonathan White, when a question came up in the meeting, used his smart phone to go on line and got a price quote, on line, from Edensaw Lumber. That's pretty cool.

CLUB BUSINESS

We need to decide what to do for the attendance drawing which will take place in April.

ROUND TABLE

I'd like to do some brainstorming for future program topics. Let's put our heads together. Please take a look at some books and magazines and then bring your ideas to the meeting. Or if you have something in your mind you could bring that to the meeting too. Lol Seriously, I've had a couple of ideas rattling around which I'm going to pursue for the next couple of days. Let's put on our thinking caps. What I have in mind is related to other meeting topics we've had in the past. We have the money for some honorariums for non-member presenters.

We (the Board of Directors) really are very concerned about our club and how to improve it. When I first joined the club it wasn't unusual to have an attendance of twenty-five and some pretty great meetings. We are working toward that end.

Annual dues are \$20.00. As a club we cannot survive if dues are not paid. That is a bargain compared to other organizations to which I belong. If you enjoy reading this newsletter, Great, because I sure enjoy doing it. Your dues pay for the postage and for guest speakers, and we've had some really great ones. I cannot really figure ink and paper costs because my printer is used for everything at home. That's a small contribution for the satisfaction I get from doing the newsletter. So you can see how important the dues are.

CLUB LIBRARY – The club has a nice library which is ordinarily open to members during regular meeting hours, which has an extensive collection of woodworking books, magazines, carving patterns and videos. We are always on the lookout for additional resources. We have some pretty neat things there.

MEETING AND CONTACT INFORMATION – Unless otherwise notified, regular club meetings are held in the downstairs fellowship hall at Hillcrest Baptist Church on Black Diamond Road which is just south of West Highway 101, about halfway between Albertson's Market and the Fairmount Restaurant. Turn north up the hill at the Pine Street intersection which is just down the hill from the bridge which crosses over Highway 101. Proceed up the Pine Street exit to the four way stop sign and turn left. Cross the bridge. You can now see your destination ahead on the left. The club meeting is held the first Thursday of the month 7:00 pm.

The Board of Directors meets at the church office at 2:00 pm the Tuesday following our monthly meeting.

CLUB MEETING

7:00 pm., Thursday, March 5, 2015

7:00 pm., Thursday April 2, 2015

BOARD OF DIRECTORS MEETING

Late April 2015
