ROUND TABLE – THE VERSATILE BLOCK PLANE

We had a delightful meeting in June. We were hosted for dinner by Bert Keldgord at his home overlooking Port Angeles. We had fifteen folks present. The food was delicious and the companionship warm and friendly. Thank you very much, to the Keldgords.

July and August were probably different for everybody. For me it was unbelievably hectic –my mother's 100th birthday in Casper, Wyoming, multiple doctor's appointments all on the other side of Puget Sound and then a death in the family in Puyallup. I didn't have time for much else.

Do you have something you want to learn how to do? We've got all sorts of talent in this club. If we don't have the person available, we probably can bring somebody in, a boat builder and his boats, a trailer builder and his gypsy style trailer and a violin maker and his violins. Let any board member know.

Remember, each time you are present at a meeting, if your dues are paid, your name goes in the bowl for the membership attendance drawing which is held every fifth meeting.

Annual dues are \$20.00. As a club we cannot survive if dues are not paid. That is a bargain compared to other organizations to which I belong. If you enjoy reading this newsletter, Great! I sure enjoy doing it. Your dues pay for the postage and our speakers and other club expenses. The guest speakers we've had were outstanding. I cannot really figure ink and paper costs because my printer is used for everything at home. That's a small contribution for the satisfaction I get from doing the newsletter. So you can see how important the dues are.

CLUB LIBRARY – The club has a nice library which is ordinarily open to members during regular meeting hours, which has an extensive collection of woodworking books, magazines, carving patterns and videos. We are always on the lookout for additional resources. We have some pretty neat things there.

WEB SITE – We now have a web site. It's a pretty good site and very well done (I've had some classes on developing web sites and could never have done it as well as this site). Bert Keldgord is our web master and really has the spark to keep it going. I haven't had the time to explore it to length but will soon. I encourage everybody to visit PeninsulaWoodworkers.org.

MEETING AND CONTACT INFORMATION – Unless otherwise notified, regular club meetings are held in the downstairs fellowship hall at Hillcrest Baptist Church on Black Diamond Road which is just south of West Highway

101, about halfway between Albertson's Market and the Fairmount Restaurant. Turn north up the hill at the Pine Street intersection which is just down the hill from the bridge which crosses over Highway 101. Proceed up the Pine Street exit to the four way stop sign and turn left. Cross the bridge. You can now see your destination ahead on the left. The club meeting is held the first Thursday of the month 7:00 pm.

The Board of Directors meets at the church office.
