

Peninsula Woodworkers Club

NEWSLETTER SEPTEMBER 2014
Editor – Gary Haubold

WE WILL BE HAVING A MEETING at 7:00 pm on Thursday, September 4, 2014. Our meeting place will be at our regular meeting place at Hillcrest Baptist Church on Black Diamond Road, just south of the bridge which crosses Highway 101. Check the complete directions below at the end of this newsletter.

*****SEPTEMBER MEETING AGENDA*****

- *WELCOME and INTRODUCTIONS *
- *CLUB BUSINESS *
- *ATTENDANCE DRAWING *
- *SHOW AND TELL *
- *ROUND TABLE Finishing – Wood Preparation *

We had a lively meeting with seventeen people present.

SHOW AND TELL

Ron Humphrey showed us how to make custom knobs in a drill press. He got the idea from an article in Fine Woodworking.

Derek Johnson discussed using antique molding planes and things for which to watch. There are pitfalls that can create problems when making repairs.

Rachael Boyd built a traditional Dutch tool chest which was inspired by a Roy Underhill program. This nice chest showed the appropriate use of a number of different joints.

Jon Cash showed how to find the center of a dowel by using a compass.

ROUND TABLE

Bevels and Beyond – moderated by Jon Cash – covering chisels and plane irons. This subject was wide ranging and ultimately we concluded that wood species directs the required pitch angle. Then as appropriate, we adjust the chip breaker. How do we adjust the pitch angle? Shim it. Chris Gochnour wrote an article which was in the March/April 2011 issue of Fine Woodworking.

We have a new development for our club. Bert Keldgord is getting an internet website developed for the club. This should be good for all of us with a lot of different services offered. I've had very limited experience with building a couple of web sites and it can be a very daunting task and requires a lot of thought to develop it properly. As soon as I am able I will be providing Bert some meeting photos.

What would you like to learn about? Do you know of a speaker we could bring in? Pick up a magazine or surf the net for a topic, and then TELL the board of directors. In the little time I've cruised the net I've found some very interesting things. Let us know what you're interested in and we'll do whatever we can to make a program of it.

We (the Board of Directors) really are very concerned about our club and how to improve it. When I first joined the club it wasn't unusual to have an attendance of twenty-five and some pretty great meetings. We are working toward that end.

Annual dues are \$20.00. As a club we cannot survive if dues are not paid. That is a bargain compared to other organizations to which I belong. If you enjoy reading this newsletter, Great, because I sure enjoy doing it. Your dues pay for the postage and for guest speakers, and we've had some really great ones. I cannot really figure ink and paper costs because my printer is used for everything at home. That's a small contribution for the satisfaction I get from doing the newsletter. So you can see how important the dues are.

CLUB LIBRARY – The club has a nice library which is ordinarily open to members during regular meeting hours, which has an extensive collection of woodworking books, magazines, carving patterns and videos. We are always on the lookout for additional resources. We have some pretty neat things there.

MEETING AND CONTACT INFORMATION – Unless otherwise notified, regular club meetings are held in the downstairs fellowship hall at Hillcrest Baptist Church on Black Diamond Road which is just south of West Highway 101, about halfway between Albertson's Market and the Fairmount Restaurant. Turn north up the hill at the Pine Street intersection which is just down the hill from the bridge which crosses over Highway 101. Proceed up the

Pine Street exit to the four way stop sign and turn left. Cross the bridge. You can now see your destination ahead on the left. The club meeting is held the first Thursday of the month 7:00 pm.

The Board of Directors meets at the church office at 2:00 pm the Tuesday following our monthly meeting.
CLUB MEETING BOARD OF DIRECTORS MEETING

7:00 pm., Thursday, September 4, 2014

7:00 pm., Thursday, October 2, 2014

TBD
